| <p>Main suggestions for future ICM meetings:</p> <ol style="list-style-type: none"> 1. The upcoming seminars to be lectured by both Partner and IPB teachers in non-simultaneous sessions (at least for the same area) so they can be attended by ICM and IPB students, as well as by IPB and ICM teachers (ICM conference); 2. In the project upcoming years, to reduce the duration of the ICM meeting to one week, plus a second week visit for master thesis defenses at IPB. |
