Notes on the recognition process:

- (1) Differences between the ECTS credits approved at host HEI and the ECTS credits recognized at home HEI are due to compatibilization of the double diploma awarding. The extra ECTS credits at the host HEI are part of the study plan for double diploma at this HEI and are accepted as extracurricular by the home HEI.
- (2) The extra ECTS credits at the host HEI are part of the study plan for double diploma at this HEI and are accepted as extracurricular by the home HEI. Nevertheless, a better recognition procedure should be implemented according to the best-practices in international mobility.
- (3) Students have accumulated less than 120 ECTS credits of the bachelor programme at home HEI before international mobility. The extra ECTS credits at the host HEI are part of the study plan for double diploma at this HEI and are accepted as extracurricular by the home HEI.
- (4) Students have accumulated more than 60 ECTS credits of the master programme at home HEI before international mobility. The extra ECTS credits at the host HEI are part of the study plan for double diploma at this HEI and are accepted as extracurricular by the home HEI.
- (5) Students have accumulated less than 60 ECTS credits of the master programme at home HEI before international mobility. The ECTS credits at the host HEI were recognized at the home HEI.
